

Errata

It looks like some NP2 mapboard buildings have been printed a bit darker than expected, and they appear to be like Stone Buildings.

Unless otherwise stated by SSR, all **the buildings of board NP2 are Wooden Buildings**.

YASL19 Indirect Panther :

The AL directing OBA does not prevent the Panther from firing it's MA and MG's in that Player Turn. However, the special characteristics for the AL described in Battle Order D cannot be used if the AL is directing OBA in that Player Turn.
