STEVE JACKSON GAMES

MUNCHKIN® CLOWNS

Clowns bring joy and laughter to people everywhere with their happy antics. For many circus-goers, the clowns are the best part of the show.

They've never met *these* clowns.

Munchkin Clowns is a 15-card mini-expansion for any *Munchkin* game. Shuffle these cards right into your existing decks and you're good to go!

Several of the monsters in this set are labeled **Clown**. Any Clown can join any other Clown in combat without needing a **Wandering Monster** card. Any monster from other sets with "Clown" in its name also counts as a Clown.

More *Munchkin*!

Munchkin comes in lots of flavors! You can get classic fantasy, sci-fi, superheroes, pirates, cowboys, the apocalypse, steampunks, and zombies . . . and they're all compatible!
