

Errata and Clarifications for Last Stand – The Battle for Moscow 1941-42

Errata:

- Ignore the extraneous 'on movement only' re Rain/Snow weather & Secondary Roads on the Weather Effects Chart. Secondary roads DO NOT EXIST in Rain/Snow (5.14);
- On the map Terrain Effects Chart, 'Rain/Snow' reduced movement costs for Marsh should read 'Frozen/Snow' (5.19);
- On the Player Aid Charts for Reaction Movement, eligible German units should read 'Two stacks of Motorized units' (5.42).

Clarifications:

- The Reorganized Rifle Units that may be placed on the Factory Hex(es) (8.62) come from the supply of Reorganized Rifle Units available that turn (8.2), not in addition to this number.
