

#### **1944**

1. Rule 7.5 should be amended so that "8.5" is inserted between "...6.1, ..." and "... 11.2/5.5 ...".
2. The heading of Rule 8.5 should be changed to "Command Units and Depots".
3. A short second paragraph should be added to Rule 8.5: "If an unaccompanied depot is attacked or if all the combat units with which it is stacked are eliminated during combat, the depot is immediately removed from play."
