

Napoleon Invades Spain

UPDATE 23 February 2022

28.2 ALT #4 NAPOLEON (add) Colbert, 6C Bde.

28.65 March Order, Espinosa Night

Withdrawal. The Spanish March Order is a General Retreat (20.5) to Reinosa (4101). The order may NOT be cancelled; however, the Spanish Player may select any 6 of his units to be exempt from the General Retreat order.

28.66 Control: VP hexes that do NOT count: 4715, 4717, 4518.

French Initial Setup, 22-23 Nov. The 1 Dragoon Brigade (Digeon) is listed with Lefebvre's IV Corps. The unit counter showing III Corps colors is correct.

French Initial Setup 10-11 Nov. 1LC 2/3, 3/3 HArt (add): ALT#2

Remove Cards from Deck: Coalition Deck has only 1 card No. 25 (not 2).

28.0 Turn Record Track for Nov 10: The diagonal shading should cover the 5PM and the two following turns. Rule 25.71 applies to all three turns.

Counters

- Spanish leader O'Neill (Ara1) can command the Villalba (Ara 3) division.
- The Ara2 division is missing a Demoralization marker, Use the one for Spanish 7 as the color matches.

All Aragon units can use the Aragon Baggage Train.
