errata for **DRIVE ON FRANKFURT**

DoF 01 The Victory Points listed on the map are in conflict with the victory points contained in the rules. The Rules are correct.

DoF 02 The HQ of the West German 13/5 Brigade should have a blue instead of white stripe on its front side.

DoF 03 The Bombardment Table Results Section has a missing indent: the wording 'Eliminate' should be centered under both 'ARTY' and 'EW' and the four 'D'ê results should be centered respectively.
