

Errata

In scenario **FT209 Euphrates Clash** : for the Bedouin reinforcements, the SSR should have read "mounted if possible".

In scenario **FT219 Koniev's Finest** :

- the entry zone for the German should read "on/between tW10 and tGG2"
- the SU-76 and M3A1(a) are OT
- the PzJg Tiger has wrong MG factors on the counter. Correct values should read : "3/-", as shown below :

Page 51, 2nd table, Lun4 OB additions with American margin results : the sentence "remove the SdKfz 231 from the at start German OB" should be changed to "remove the **SdKfz 232** from the at start German OB".

Page 51, Lun3 outcomes, American margin, Lun4 additions : the "M8 GMC" is in fact a "**M8 HMC**" US note 43.
