

# Napoleon's Wheel Update

20 February 2022

## Study

### 25.51 ALTERNATE REINFORCEMENTS

If a unit or leader is listed as ALT in the Study Folder, include it (even if it isn't listed as ALT everywhere). Many units don't say "Reinf" on the Initial Set up. Follow the TRC as the official Reinforcement schedule.

## The Battle of Elchingen

**28.2** WERNECK had just exited the map a few hours before the scenario start. (Still within recall.)

**28.53** ALT Group #1 add SOULT

## The Battle of Austerlitz

**32.14** The Coalition Pontoon Train starts within 7 hexes of Buxhowden.

## Counters

Russia: Constantine should be [1] 10, not [1] 6.

## Setup Cards

Elchingen DoB and AtB: Remove V/5<sup>th</sup>, 7<sup>th</sup> Arty.

Austerlitz DoB and AtB: Remove IND/5<sup>th</sup>, 7<sup>th</sup> Arty.
