Battle of Austerlitz

~~LIVING~~  
Austerlitz  
CAMPAIGN GAME

## Allied Set up

The Scenario start at Turn 1 and ends at turn 24.

Always follow stacking limitations. If any overstack occurs, excess unit(s) can be placed in adjacent hex(es).

If not specified, the Commander can stack with any one unit in his Formation.

R means Reinforcement and T is the game turn they enter in map.

Put Reinforcements on Turn track.

## Start conditions

December, the 1st

Weather at the game start: OVERCAST.

No DRM on weather dieroll for the second turn.

Start at the 5 Phase (Initiative). The Initiative is Allied, all Formations are "in command" under the following Orders:

BÜXHOWDEN	Advance
BAGRATION	Advance

\* They must keep this march mode and cannot change orders until they reach Bagration's command range. They are considered in command until then.
